

The Rainbow

One day the sun was shining bright
(hold hand up as if blocking sunlight)

Then clouds came along and it was
dark as night
(hold up left hand for clouds)

The rain began to sprinkle onto the
ground
(wiggle fingers for rain coming down)

And soon it was raining all over the
town
(wave all fingers back and forth)

But when the clouds had passed on by
(move both hands to the side)

A big beautiful rainbow stretched
across the sky!
(make a rainbow arc with your hands)
